Continuing Medical Education

This activity is planned and implemented by AXIS Medical Education, Refine Me CE, Inc., and Table Rock Regional Roundup. AXIS Medical Education is accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Designation for Physicians

AXIS Medical Education designates this live activity for a maximum of *8.5 AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Obtaining your CME Credit

Please complete the attendance and evaluation forms, which are included in your packet, to obtain your CME credit. Return the forms to the registration desk prior to leaving on Saturday. Your name is required. CME certificates will be mailed to those who turned in the attendance AND evaluation forms.

Target Audience: This activity is designed for physicians specializing in ophthalmology and ophthalmology residents in training.

At the conclusion of the activity, the participant should be able to:

1. Discuss advances and new techniques in ophthalmic surgery and medical treatment of eye diseases, including glaucoma, cataract, cornea, pediatrics, retina and oculoplastics.
2. Explain how new medical treatment options can help to improve management of eye diseases in a variety of sub-specialties.
3. Discuss methods that can be employed in an ophthalmology practice to improve patient safety and enhance the efficiency of patient/practice management.
4. Discuss how public policies and third party payor procedures impact upon the quality of care available.
5. Identify electronic health care record challenges and provide examples of where documentation can go wrong causing patient harm.
6. Discuss effective doctor-patient communication to achieve best patient outcomes and satisfaction.

Faculty & Planning Committee Disclosure Information

All individuals who are in a position to control the content of the educational activity (course/activity directors, planning committee members, staff or faculty) must disclose all relevant financial relationships they have with any commercial interest(s) as well as the nature of the relationship. Financial relationships of the individual's spouse or partner must also be disclosed, if the nature of the relationship could influence the objectivity of the individual in a position to control the content of the CME. The ACCME describes relevant financial relationships as those in any amount occurring within the past 12 months that create a conflict of interest. Individuals who refuse to disclose will be disqualified from participation in the development, management, presentation, or evaluation of the CME activity.

Program Committee & Staff: These planners state the following: I or my spouse or partner have no relevant financial relationships with proprietary entities producing health care goods or services related to the content of this activity:

Philip James Deer III, MD, Arkansas, Chair
Jean R. Hausheer, MD, Oklahoma
Laura Hawkins, Arkansas

Jill Hancock, Missouri
Rich Paul, Kansas
Rachael Reed, Oklahoma

Dee Morgillo, AXIS
Ronald Viggiani, MD, AXIS
Craig Mattingly

This planner states the following: P. Kumar Rao, MD: research grant from Regeneron

Speakers: These speakers state the following: I or my spouse or partner have no relevant financial relationships with proprietary entities producing health care goods or services related to the content of this activity:

Wade D. Brock, MD
Benjamin R. Buckner, MD
Janine E. Collinge, MD
Luther L. Fry, MD
Joshua S. Hardin, MD

Christian C. Hester, MD
John S. King, MD
Christopher H. Logan
Scott K. Logan, Esq.
Annie Moreau, MD

Robert Null, MD
James C. O'Brien, MD
Michelle Pineda, MBA
Sue Vicchilli, COT, OCS

These speakers state the following:

- John F. Doane, MD: consultant for Zeiss, Calhoun Vision; shareholder & Medical Advisory Board Presbyopia Therapies; contracted research for Zeiss, Calhoun Vision and Ocular Therapeutix
- David B. Granet, MD: consultant and member of a speakers bureau for Alcon Labs; received income from AAP Book Royalty
- P. Kumar Rao, MD: research grant from Regeneron

AXIS Contact Information

For information about the accreditation of this program, please contact AXIS at 954-281-7524 or info@axismeded.org.

DISCLAIMER

Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications, or other courses of diagnosis or treatment discussed in this activity should not be used by clinicians without evaluation of patient conditions and possible contraindications on dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities.

DISCLOSURE OF UNLABELED USE

This educational activity may contain discussion of published and/or investigational uses of agents that are not indicated by the FDA. The planners of this activity do not recommend the use of any agent outside of the labeled indications. The opinions expressed in the educational activity are those of the faculty and do not necessarily represent the views of the planners. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings.
